

3Shires Batched PFI - Leicester LDU

Sector: Health
Client: Leicestershire Partnership NHS Trust
Main Contractor: Costain Limited
Budget: £236,000
Duration: 22 weeks
Completion: April 2009

Renov8 was awarded a £236,000 contract to fit out this new single storey building of conventional build. It comprised: 20 beds located in five, four-bedded living units; a separate, dedicated living unit for disabled patients; therapy space includes Assisted Daily Living (ADL) kitchen, laundry, activity rooms and horticultural courtyard garden. The building was designed to minimise ligature points and to withstand the challenging behaviour of patients whilst providing a safe and secure facility for both staff and patients
