

Bakeman House - Birmingham

Sector: Residential
Client: Birmingham City Council
Main Contractor: Wates Living Space
Budget: £85,000
Duration: 16 weeks
Completion: January 2009

This refurbishment of a social housing development saw Renov8 being awarded an £85,000 contract to provide fire stopping to communal areas as well as total refurbishment of the entrance lobby. This involved liaison with Council architects and project management of other trades. The company undertook renovation of terrazzo flooring and stairs, installation of suspended ceiling and installation of trespa cladding to walls.
