

## IKEA Wednesbury

Sector:	Commercial
Client:	IKEA
Main Contractor:	IKEA
Budget:	£170,000
Duration:	30 weeks
Completion:	September 2006

Renov8 was awarded a £170,000 contract to fit out new warehousing at IKEA in Wednesbury. A new building was erected alongside the existing one which greatly increased the effective sales space. The six month contract was extremely tight as the group was committed to open the expanded store in October 2006. The contract included erecting new walls, fire lining, creating office space, kitchens and kitchen fittings, doors, ironmongery, skirtings and architraves.
