

The Cube - Birmingham

Sector:	Residential
Client:	Birmingham Development Company
Main Contractor:	BuildAbility Limited
Budget:	£1,500,000
Duration:	40 weeks (estimated)
Completion:	May 2010 (estimated)

A world-class building which will dominate the Birmingham skyline, The Cube is a futuristic and innovative finale to The Mailbox development. Renov8 was awarded the £1,500,000 contract to fit out the apartments and communal areas on the 15 residential floors. The company will fit doors; frames; oak flooring, skirting and architraves, bespoke cupboards, wardrobes and reception desks; balcony decking; and sundries.
