

## Woodlands Burial Park - Beaconsfield

**Sector:** Commercial  
**Client:** Woodland Burial Parks  
**Main Contractor:** Colstruction Limited  
**Budget:** £270,000  
**Duration:** 27 weeks  
**Completion:** September 2009

Renov8 was awarded a £270,000 contract to build two buildings; The Woodland Hall and The Gathering Hall. The contract involved erecting wooden clad walls around a hexagonal floorplan with sloping ceilings to a hexagonal roof lantern with motor driven windows. Feature window panels were installed in line with the slope of the roof. The innovative design concept saw Renov8 working with designers and suppliers to create a visually stunning vista in line with the woodland surroundings and meeting aggressive environmental standards.
